Bonfire Craft

You Will Need:
- One half sheet of black paper
- Small yellow paper squares
- Small orange paper squares
- Small red paper squares
- Small sticks (or brown paper to make two logs)
- Scissors
- Glue
- Pencil

Using the Sample as your Guide:
1. Use a pencil to outline your flame on the black paper.
2. Glue the yellow squares to the bottom of your flame.
3. Glue the orange squares to the middle of your flame.
4. Glue the red squares to the top of your flame.
5. Glue the sticks (or paper logs) to the bottom of the black paper.
