Paper Plate Continents

You Will Need:
- Paper Plate
- Continents Coloring Page
- Crayons
- Glue
- Scissors

Using the Sample as your Guide:
1. Color the back side of the paper plate blue.
2. Color each continent on the coloring page a different color.
3. Cut out each continent.
4. Glue the continents onto the blue side of the paper plate using the sample or a map as a guide.
